

Pension Administration Strategy

1 April 2022

Introduction and Regulatory Context

This is the Pension Administration Strategy (PAS) of the Cheshire Pension Fund (CPF).

The PAS outlines the policies and performance standards required to deliver a cost-effective and high-quality pensions administration service.

The efficient administration of the Pension Fund is dependent on effective administration procedures and strong joint working between scheme employers and the Pension Fund.

This PAS sets out the expected levels of performance of the CPF and scheme employers and provides details about the monitoring of performance levels and the action(s) that might be taken where non-compliance occurs.

It seeks to promote good working relationships and improve efficiency between the CPF and its scheme employers who are collectively responsible for delivering a service which meets the diverse and changing needs of members, as well as ensuring compliance with the regulatory standards required by the Pensions Regulator (tPR) and overseen by the Local Pensions Board.

The PAS has been developed in accordance with regulation 59 of the LGPS Regulations 2013, and in consultation with the employers, the Cheshire Pension Fund Committee and the Local Pension Board. The Pensions Consultative Forum (consisting of employer representatives from a broad cross section of scheme employers along with the administering authority), will play a key role in reviewing performance against the standards set out in this document, and recommending changes and improvements.

Review

The PAS will be reviewed on an annual basis and more frequently if there are changes to the scheme regulations or Fund policies. All scheme employers will be consulted before any changes are made to this document. The latest version of this document can be accessed from the Fund website (once consultation has finished) at www.cheshirepensionfund.org.

Aims and Principles

The PAS recognises that the efficient delivery of the benefits of the scheme is reliant upon effective administrative procedures being in place between the CPF and scheme employers, most notably the timely exchange of accurate information in relation to scheme members.

The aim of this PAS is to continue progress towards an automated pension service, employing appropriate technology to improve the quality of information, the speed of operational processing for employers and a more efficient service to members.

The key principles of this Strategy are that:

- the respective roles of the CPF and Scheme Employers are clearly defined as set out in the LGPS Regulations and other relevant legislation.
- the CPF and employers operate in accordance with LGPS regulations and the Pension Regulator Code of Practice/s in demonstrating compliance and scheme governance.
- communication processes are in place to enable both the Fund and Employers to exchange information efficiently and accurately.
- accurate records are maintained for the purpose of calculating pension entitlements and employer liabilities; ensuring all information and data is communicated accurately, on a timely basis and is secure and compliant
- administrative services are developed and delivered digitally in order to streamline processes and minimise service costs.
- clear service standards and service levels are set and monitored to be delivered by respective parties, in order to enable efficient administration of pension services.
- the CPF and employers have appropriate skills and that training is in place to deliver a high quality service

What the Cheshire Pension Fund aims to deliver. And what you can expect from us.

The table below is not an exhaustive list but outlines the key services that we aim to deliver to support employers, and to administer and process LGPS scheme member benefits.

These services will be provided as standard and met by the element of employers' contribution rates that funds our administration costs. However, there may be limits to the number of specific requests that the Fund can deliver. This is to best allocate resources and ensure fair access to services across all our employers and members. Any requests exceeding the limits may be subject to a time-based fee.

The CPF will review performance across all areas, but specifically those that relate to the administration and processing of LGPS scheme member benefits.

Performance will be reported to and scrutinised by the Pension Fund Committee and Local Pensions Board. Performance against a number of our key performance indicators will also be reported in the Fund's annual report and accounts.

Cheshire Pension Fund - Roles and Responsibilities

Ref	Function/ Service	Expectation (working days unless otherwise stated)	What we need
1	New Starters	40	Receipt of correct data from employer.
1.1	Set up a new starter and provide notification to the member.		
2	Transfers	10	Receipt of request from scheme member.
2.1	Transfer In quotations processed.		
2.2	Transfer out quotations processed.	10	Receipt of all required information.
2.3	Notify member of Transfer in processed.	10	Receipt of transfer payment.
2.4	Transfer out payments processed and notify scheme member.	10	Receipt of all required information.
3	Estimates		
3.1	Retirement Estimates for employees.	15 (two per annum)	Receipt of request and all required information.
3.2	Retirement Estimates for employers (individual cases). Including any additional fund costs in relation to early payment of benefits.	15	Receipt of all required information.

Ref	Function/ Service	Expectation (working days unless otherwise stated)	What we need
3.3	Retirement / redundancy estimates for employers (bulk cases). Including any additional fund costs in relation to early payment of benefits.	15 (but CPF to monitor requests. Reserve right to amend PAS or agree different delivery date).	Receipt of request and all required information. Employer to provide 10 Business days' notice.
4	Retirements		
4.1	Provide retirement options to members.	15.	Receipt of request and all required information.
4.2	Process retirement benefits for payment.	Lump sum processed within 5 days First pension payment will be made on the next available	Receipt of request and all required information.
5	Deaths		
5.1	Notification of death benefits payable.	10 (five days to acknowledge the death).	Receipt of all required information.
5.2	Payment of death lump sum and survivors pension.	Lump sum processed within 5 days First pension payment will be made on the next available	Receipt of all required information.
6	Leavers		
6.1	Notify members of their deferred options.	One month	Check
6.2	Deferred benefits calculated.	30.	Receipt of all required information.

Ref	Function/ Service	Expectation (working days unless otherwise stated)	What we need
6.4	Process Refund payments.	10	Receipt of all required information.
7 7.1	Additional Member Contributions Notify the scheme employer of any scheme member's decision to pay additional pension contributions. Provide all required information to enable deductions to commence.	10	Receipt of request and all required information.
8 8.1	General Administration and communications Produce annual benefit statements for active and deferred members by 31 August following the year-end.	31 August, following the year end.	Receipt of all required information.
8.2	Inform scheme member and employer if an annual benefit statement cannot be issued due to data issues.	By 31 August following the year end.

By 22nd of the month following deduction from payroll if made electronically or 19th if not paid electronically.	By 22nd of the month following deduction from payroll if made electronically or 19th if not paid electronically
3.6	Arrange for the deduction of AVCs and payment over of contributions to the AVC provider(s) and inform the Fund as required.	As required by payroll cycles and AVC provider(s).	
3.7	Make additional invoiced payments in relation to early payment of benefits from flexible retirement, redundancy or business efficiency retirement or where a member retires early with employer's consent.	Within CWaC standard terms of trade.	Within CWaC standard terms of trade.

Ref	Function/ Service	Expectation (working days unless otherwise stated)	Performance target
4 4.1	<p>Member information and data quality</p> <p>Provide the Fund with following information in a format, communication channel and time frame specified by the Fund:</p> <ul style="list-style-type: none"> • New starters • Change of address, hours, name, payroll number, or job title • movement in and out of the 50/50 scheme, • marital or civil partnership status, • maternity, paternity, career break, • employee contributions (including additional contributions) • employee earnings (FTE and CARE) • AVC contributions • Under three month opt-outs • Leaver details 	<p>Monthly Interfacing</p> <p>On a monthly basis, by the 19th of the following month. As part of the monthly submission upload via the employer web portal.</p> <p>See Monthly Interfacing Guide for more detail.</p>	<p>On a monthly basis, by the 19th of the following month.</p>
5 5.1	<p>Leavers</p> <p>Notify the Fund when a member leaves employment including an accurate assessment of final pay using the method stipulated by the Fund.</p>	<p>As early as possible but no later than 10 working days after the member's final payroll has run.</p> <p>.</p>	
6 6.1	<p>Retirements</p> <p>Notify the Fund when a member is due to retire including an accurate assessment of final pay details and authorisation of the reason for retirement.</p>	<p>As early as possible but no later than 10 working days after the member's final payroll has run.</p> <p>.</p>	

7	Deaths		
7.1	Notify the Fund of the death of a scheme member using the method stipulated by the Fund.	As soon as practicable, but within ten days.	
8	Employer Communications		
8.1	Distribute any information provided by the Fund to scheme members/potential scheme members.	Within 10 days of its receipt.	
8.2	Refer new/prospective scheme members to the Fund's website.	Within 10 days of commencement of employment or change in contractual conditions.	
8.3	Notify the Fund if contracting out services which will involve a TUPE transfer of staff to another organisation.	At the time of deciding to tender so that information can be provided to assist in the decision.	
8.4	Work with the Fund to arrange for an admission agreement to be put in place when contracting out a service and assist in ensuring it is complied with.	Agreement to be in place no later than date of contract. Notify Pension Fund if terms of Admission Agreement are not being met.	
8.5	Notify the Fund if the employer ceases to admit new scheme members or is considering terminating membership of the Fund.	As soon as the decision is made, so that the Fund can assess the impact and instruct the actuary to carry out calculations, if applicable.	

Monitoring Service Standards and Managing Compliance

The Pension Fund will monitor its own performance and that of scheme employers against the targets and standards set out in this strategy. The outcomes from this monitoring and any issues arising will be reported to:

- the Pensions Consultative Forum
- the Local Pensions Board
- the Pension Fund Committee
- individual scheme employers/members as appropriate
- The Pensions Regulator (where applicable)

Where performance issues arise, the aim in the first instance will be to resolve issues informally between the parties, and to identify appropriate action to address any underlying issues, through training, coaching, process improvements or better communication.

Where persistent and on-going failure occurs, and no improvement is demonstrated by an employer (and, or unwillingness is shown to resolve the issues identified), the following steps will be taken:

- The Pension Fund will write to the designated contact for the scheme employer setting out the areas of poor performance.
- The Pension Fund will meet with the employer to discuss areas of concern and agree the action required and timescales for remediation.
- if no improvement has been demonstrated by the employer, or there has been a failure to take forward agreed action within the required timescale, the Fund will issue a formal notice to the Chief Executive of the employer body setting out the issues of concern and the immediate action required. The final notice may also include a claim for additional costs, taking account of the time and resources required to address and resolve the poor performance in question and any consequences arising.

Please note, notwithstanding the above process, where there is a clear breach of regulations or agreed performance, for instance, where an employer fails to pay the monthly contributions income to the fund in line with regulatory deadlines or where the fund fails to issue statutory communications (such as the Annual Benefit Statements) to members within statutory deadlines, the Fund is duty bound to capture this on its Breaches Log. All such breaches will be investigated and if deemed material will be reported to the regulator. The Breaches Log is presented to the Pension Fund Committee and Local Pension Board on a quarterly basis.

A copy of the fund's [breaches policy](https://www.cheshirepensionfund.org/members/about-us/how-we-manage-the-fund/breaches-policy/) can be found on the website at <https://www.cheshirepensionfund.org/members/about-us/how-we-manage-the-fund/breaches-policy/>

Additional Administration Charges

Where the Pension Fund incurs additional costs in respect of work requested by individual employers, for example, in respect of new admissions, early or ill-health retirements, or employer accounting returns; these will be recharged on completion of the work in question.

Examples of specific additional administration charges and the basis for calculation are set out in the Funds charging policy which is available on the employer section of the website.

Invoices will be subject to the normal payment terms of the Cheshire West and Chester Council, as administering authority. Non-payment will be managed through the Council's normal debt recovery process.

Policy on Charging Employers for Poor Performance

The LGPS regulations provide pension funds with the ability to recover from a scheme employer any additional costs associated with the administration of the scheme incurred as a result of the poor level of performance of that scheme employer. Where any such additional costs are to be recovered by the Fund, written notice will be provided stating:

- the reasons that the scheme employer's poor performance contributed to the additional cost;
- the amount of the additional cost incurred;
- the basis on how the additional cost was calculated; and
- the provisions of the administration strategy relevant to the decision to give notice.

It is the policy of the Fund to recover additional costs incurred in the administration of the scheme as a direct result of the poor performance of any scheme employer (including the administering authority). With the objective of ensuring fairness across employers in avoiding other employers paying more to cover the higher administration costs incurred by others.
